

Dear Representatives,

We are pleased to confirm that a second informal consultation on ICN2 with Non-State Actors (NSAs) will be held on Monday 25 August 2014. Each meeting will be held in Salle A on the first floor of the main building of WHO, Geneva. Badges can be obtained at reception at the main entrance.

The meeting schedule is as follows:

- **9:30-12:30 hours (Private Sector):** Meeting with organizations representing the private sector with an interest in ICN2 outcomes
- **14:00-17:00 hours (Civil Sector):** Meeting with civil society organizations in official liaison status with WHO as well as civil society organizations who have expressed an interest in ICN2

The aim of each half-day meeting is to:

- Update NSAs on dates of meetings, progress and processes related to the political outcome documents
- NSA input on the Framework for Action (FFA)
- Further discuss involvement of NSAs in the ICN2 process
- Provide an opportunity for NSAs to communicate with Member States their expectations and views on the above mentioned issues.

The agenda will include:

- 1) Briefing on ICN2 preparations to date
- 2) Framework for Action
- 3) Participation in ICN2 and pre-conference events

Information on the meeting is available on the web site:

[http://www.unscn.org/en/international\\_conference\\_on\\_nutrition/second\\_international\\_conference\\_on\\_nutrition/](http://www.unscn.org/en/international_conference_on_nutrition/second_international_conference_on_nutrition/)

An interactive component will be available shortly.

Please note that these meetings will be held in English. No interpretation services will be provided. For those attending in person, please let us know as soon as possible so that we can arrange for badges. A Webex connection will be established for organizations that are not able to participate in person.

**Webex Connection:**

Please use the following Webex invitation link:

<https://who-meeting.webex.com/who-meeting/j.php?ED=256146097&UID=1724006822&RT=MTYjMjM%3D>

**Tips for successful participation**

For speaking privileges, please use the “hand raising” Webex function.

Participants joining the WebEx sessions with their tablets and smartphones (iOS, Android and BlackBerry) requires Cisco WebEx Application to be downloaded and installed prior to the meeting.

If you have any problems connecting before or during the meeting, please email [debrilg@who.int](mailto:debrilg@who.int). Please also see the attachment for further Webex connection details.

Please note that Geneva based Permanent Missions are invited to the informal consultation and are copied on this correspondence.

We look forward to your participation.

With best regards,

Dr Francesco Branca  
Director, Department of Nutrition for Health and Development
